

RULES FOR PARTICIPATION 2022 - EVENTS CALL

1. ABOUT XARTEC SALUT

Xartec Salut is a network led by CREB UPC that is made up of 47 research groups from Catalonia that belong to 17 different institutions (universities, hospitals and technology centers). It aims to be a catalyst for R&D&I in the field of Health Technologies in Catalonia.

2. SCOPE OF THE PROGRAM

The objective of Xartec Salut 2022 Events Call is to finance the attendance of research groups to conferences and events, in order to give visibility to the group's innovative projects.

Xartec Salut will finance the attendance to **up to one Event or Convention per group**.

3. EXPENSES COVERED

The 2022 - Events Call will cover some aspects related to attendance at certain events, namely:

- **Conference registration**
- **Travel expenses (flights or train)**
- **Accommodation**

*Other expenses such as meals and taxis won't be financed by Xartec Salut.

If selected for this call, these expenses will be managed by **Xartec Salut - CREB UPC** and respecting the **maximums or characteristics required** for each type of expense and **its consequent justification according to UPC & ERDF policies**.

The **global budget** for the Call is **60.000€**. The budget will be allocated among the participants based both on their **needs** and the **potential** of their requests.

4. ELIGIBILITY

2022 Events Call is open for the 47 **research groups of Xartec Salut** that are planning to attend an event or congress during **2022**.

The applications submitted must meet the following criteria:

1. The events or congresses must be related to **Innovation, Healthcare, Technology, Valorization, Tech Transfer** or **Commercialization**.
2. The assistant **will preferably be the Principal Investigator** (PI) of the group, and may delegate another person in case he/she is unable to attend.
3. The event or congress selected must **take place between** the months of **May** and **November 2022**, inclusive.

5. APPLICATION PROCESS

Submission of applications will open on **5/04/2022** and will close on **29/04/2022**.

Applications will be conducted through the duly submission of the **form** provided to xartec.salut.creb@upc.edu, which must be submitted in **English**. Applications that do not include the required information will not be considered eligible.

6. SELECTION AND REQUIRED DOCUMENTATION

After the evaluation process is completed, it is expected to officially communicate the call's results on **06/05/2022**.

UPC requires the following documents:

- ID copy of the attendee (scanned)
- Congress name, website, program, dates and hours of arrival and departure

Once selected, UPC will require additional documentation:

- Travel authorization signature (instructions to be provided)
- Certificate of attendance

7. CONFIDENTIALITY

All the information shared by the research groups in the framework of this call for projects will be treated as confidential information to what is stated at the Agreement signed by the entities pertaining to Xartec salut (“Acord de Xarxa”).
